

## RELOCATION SUPPORT

These organizations and programs help guide pets and people through the difficult process of moving. Here you will find databases for properties that welcome all breeds, services that aid with pet air travel and more.

### [MYPITBULLISFAMILY.ORG](http://MYPITBULLISFAMILY.ORG)

My Pit Bull is Family is a 501c-3 non-profit organization based in Minneapolis, Minnesota with a mission to keep families together by advancing dog-inclusive rental & insurance policies and providing essential pet retention programming. Our team focuses on having conversations with property management companies, conducting pet policy research studies, building relationships in the community and providing resources to keep families together.

### [PETRELOCATION.COM](http://PETRELOCATION.COM)

Our pet transport process, partners, and expert employees guarantee your pet will be treated as a best friend should, every step of the way, no matter the distance. We know that every pet is different, and the regulations that affect pet travel are always changing. Sure, you could find other ways to move your pet, but if they could choose a pet shipping company, they'd choose us.

### [AIRANIMAL.COM](http://AIRANIMAL.COM)

Let Air Animal manage your pet's flights, pet hotel and customs paperwork, making your move easier for you and your pet. Pet moving made easy®. It's our focus, our passion and our promise.
